### **BEAR HUNTERS**

- Camouflage clothing in brown and grey colors
- We recommend and use "Scent Sticks" by DeerQuest.  
Feel free to bring some of your own. We mostly use Anise Scent
- Rubber boots.  
Used for masking human odor when approaching stands. More critical for archery hunters
- Scent control products like "scent away" brand i.e. sprays, deodorant, body wash etc.
- Wash your camo clothes in a scent control product and seal in a plastic container.  
Keep it separate from your other gear.
- If you are archery bear hunting and already own a tree stand that you are comfortable with, please feel free to bring that with you.

**Please call if you have any questions about scent control measures you can take.**

### **ARCHERY HUNTERS**

- Camouflage clothing in brown and grey colors
- Camouflage paint
- Hard case for bow
- Extra bow string
- Compound bow stringer
- Pliers
